conclude the following

AGREEMENT ON COOPERATION IN THE FIELD OF EDUCATION AND SCIENTIFIC RESEARCH

Article 1

The parties to this Agreement recognize that they have a common interest in cooperation in the field of education and scientific research in the field of health sciences.

Article 2

The parties to this Agreement will cooperate and provide mutual assistance and support in the following areas:

- cooperation in the implementation and development of undergraduate and postgraduate study programs,
- joint mentoring of postgraduate students (master and PhD),
- cooperation in scientific research (joint application of projects, study programs),
- active cooperation in the international arena (exchange of students, teaching staff and employees),
- exchange of initiatives, information and experience in the field of education and scientific research,
- opportunities for cooperation in joint publication of books and learning materials,
- cooperation in the organization of international conferences, meetings, symposia and seminars which are in the interest of both parties to the agreement,
- exchange of academic and support staff in the implementation of education and scientific research,
- realisation of other activities for which the parties have a common interest.

Article 3

Organizational, financial and other issues related to all forms of cooperation under this Agreement will be regulated with the relevant agreements, contracts or annexes to this Agreement.

Article 4

The parties to this Agreement are obliged that when applying for research projects for which they have a common interest, both parties shall be treated as equal partners.

Article 5

This Agreement is concluded for an indefinite period and comes into force when it is signed by the authorized persons of the parties to this Agreement.

Article 6

This Agreement may be terminated in case when there is an interest of one of the parties to the agreement.

Each of the parties may withdraw from the Agreement at any time, if the Agreement fails to contribute to the realization of the objectives for which it was concluded, but with an obligation to bring the ongoing projects to completion, and to fulfil the eventual financial obligations arising from this Agreement.

The party to the Agreement who wishes to withdraw from the Agreement must notify the other party in writing thirty (30) days at latest prior to the desired unilateral termination of the Agreement.

Article 7

Any changes and amendment to this Agreement and other questions relating to the subject matter of this Agreement shall be agreed upon by both parties with annexes to this Agreement.

Article 8

Eventual disputes will be resolved by both parties amicably. In case when the parties cannot come to an agreement they agree that the eventual disputes arising from this Agreement shall be settled by the local competent court.

Article 9

The agreement consists of four (4) copies, of which each party receives two (2) copies.
